

Geometric and technology perfection.

Perfect geometry and high technology meets in an esthetically daring lamp. Suitable to light hotel, resort or residence. Aluminum body in white or polished aluminum finish, PMMA diffuser with WallWasher optics that “wash” the walls with an indirect smooth and diffusive lighting. Available in four versions: ceiling, wall, floor or suspension. Peculiar solutions for the floor version, with concrete base enhancing minimalism and material; and for the suspension, with an adjustable hanging hook, suitable for sloped ceiling, as attics or trussed
